

One of the assets

of our business, of which we are proudest, is our file containing the eyeglass prescrip-tions of more than 250,000 of our patrons.

This very large patronage, built up from a handful of acquaintances about seventeen years ago, proves em-phatically that we have given the public, conscientious, dependable, satisfactory eye and eyeglass service at fair, reasonable prices.

One trial will prove our "right" to your confidence and will make you "one more" M. H. Harris enthusiast.
